12th November 2021

Dear Parents

COVID Arrangements

A number of positive COVID cases have been reported to our school this week. For everybody's safety can I ask that all parents notify the school of any positive COVID cases so the information can be passed onto the PHA.

If a positive COVID case is reported in your child's class, you will receive a text from our school directing you to a PHA Alert letter posted on our school website. Please read the letter carefully as the information will guide you on what actions to take.

If your child tests positive they must complete the self-isolation period. If your child is well enough to complete school work during the period of isolation, please note the following:

Home Learning Area

Please go to the Home Learning area on our school website and select your child's class for all information. Please note, this is no longer password protected.

www.stmaryspsgreenlough.com/home-learning/

Foundation Stage – Primary 1 & 2

Your child's class teacher sets homework for the week and an additional home learning pack is available from our school reception, if you so wish. If you are self-isolating and unable to collect the home learning pack our school can post it out. This work can be completed during the period of isolation and if you have any queries please do not hesitate to contact your child's class teacher or Mr Meehan.

Key Stage 1 & 2 – Primary 3 - 7

If your child is well enough during the period of isolation, please ensure they complete their weekly homework. Additional numeracy and literacy worksheets are available from the Home Learning area, if you so wish. If you have any queries, please do not hesitate to contact your child's class teacher or Mr Meehan.

If you have any concerns or require further information on the current arrangements in place, please do not hesitate to contact Mr Meehan directly. mmeehan763@c2kni.net

Yours Sincerely

M. Meehan

Mr M. Meehan (Principal)
