Dear Parents

Our school have been notified late this afternoon that no bus will be available tomorrow. The EA transport department are responsible for providing transport to all children if they live two miles from our school. We are extremely disappointed with the way this has been dealt with and I have expressed my concerns with the EA transport department. There has been limited communication with the school from the EA transport department and I will continue to do all I can to rectify this issue. If you have any queries, please contact the EA transport department directly.

For your convenience, your child can attend the breakfast club from 8.00am free of charge in the interim.

Yours Sincerely

Martin Meehan
